First, I want to thank you for your business. It is a pleasure to get started on your project. I began Enthusiast Media Group in 2005 for one reason, "To provide client solutions in every element of their printing & promotion process." Our entire team supports this statement. EMG has truly earned the position as a "One Stop Print & Promotion Solution". We offer education, process improvements, and look for instant economies. With over 20 years in the industry, I have extensive experience as estimator, plant scheduler, customer service rep, national sales rep and finally as the owner of a printing and promotion service company, EMG. We create solutions by putting your job in the right plant every time.

I bring to Enthusiast Media Group many years of experience as a List Processor in a medium sized mail house in the Pacific Northwest. I have worked with different types of databases. Database special projects are my focus and finding effective solutions is a challenge I welcome. I particularly enjoy the customer service aspect of my Mailing Specialist position at EMG, and I look forward to working with you.

Thank you for your business. As an EMG Account Executive, I bring 30 years of Sales and Marketing experience to your project. I was raised in an entrepreneurial environment and started my career in a family owned business, I then moved on to the startup of my own profitable construction company. I sold the business 12 years ago and have been very successful as an Account Representative for print media. My experience creates my passion to see others succeed. Joining the EMG team has allowed me to pass on my experience, professionalism, and business "common sense" to increase market share for my clients.
